The Public Notice is available for inspection and is attached. Supervisor Sloan also reminded electors that by law only items on the agenda may be considered. If electors have an issue not on the agenda, it may be considered at a special Town meeting, pursuant to the provisions in the Code regarding special Town Meetings. In addition, if electors have concerns on matters not covered on the agenda, they may make those concerns known to the trustees during the Public Participation section of the regular monthly meeting, which follows tonight's annual meeting.
