

# Join Us in Celebrating the 2020 Seniors Over 60!

Since 1963 in the United States, May has been designated *Older Americans Month*.

And every year since 2011, this has also been the month when we have held Celebrating Seniors Week to celebrate, recognize and raise funds for older adults in Oak Park, River Forest and Forest Park who have displayed grace, caring, compassion, fortitude and resiliency in bettering our quality of life.

However, like so much in our society, this year will be different

because of the COVID-19 pandemic.

Celebrating Seniors Week, a series of educational, entertaining and other activities, will be held at a to-be-

determined later date, based on recommendations from health officials and Illinois Governor J.B. Pritzker.

Meanwhile, please join us in recognizing and applauding this

year's *Celebrating Seniors Over 60 Class*. We thank these people from Forest Park, Oak Park and River Forest who have made significant contributions to our communities and quality of life!
