Enjoy an affordable, well balanced meal

What is the Dine Out Program?

The Senior Services Dine Out Program offers seniors the opportunity to enjoy an affordable, well-balanced meal at specified local restaurants. The program is open to all older adults age sixty and over and is designed to meet their social and nutritional needs.

How does the program work?

Participants of the Dine Out Program can purchase coupons from Senior Services for the small suggested donation of \$4.00 each. The Dine Out coupon is then redeemable at a participating Dine Out restaurant for one meal selection from a specially prepared menu. Participants are responsible for tipping the server.

What types of meals are offered?

Restaurants participating in the Dine Out Program provide a special menu with a wide variety of entrees from which to choose. Each selection has been reviewed by a dietitian to ensure that the meal meets at least one third of the

Recommended Dietary Allowance. Limited beverage and dessert selections are also included with the meal.

How do I obtain the coupons?

Coupons are obtained at the Senior Services Lunch Program, 130 S. Oak Park Ave., from Tuesday through Thursday from 9:00 to 12:00 PM. Coupons are also available by mail. Call the Senior Lunch Program for further details. First time participants need to fill out a registration form and be photographed for a picture identification card. There is a limit of coupons that can be purchased per week, subject to limit change. The coupons expire three months from the purchase date.

When can I use the coupon?

See the restaurants for additional details as to the days and times coupons are accepted.
