

Wednesday Journal and A Tribe Called Aging welcome
The **ChangingAging**[®]
Tour

with Dr.  Bill Thomas

Blending medical science, storytelling and live music
The ChangingAging Tour shatters our culture's damaging myths
about aging. This is a beautiful day and evening that fills one with
hope and excitement for the future.

Disrupt Dementia - ChangingAging Tour
*Disrupt Dementia 2:30-4:00pm | \$20**

This immersive and transformational non-fiction theater experience weaves film, music and first-person stories with groundbreaking research turning convention on its head by focusing on what we can all learn from people living with dementia, rather than from experts. This performance is designed for people living with dementia and their allies.

The Lobby Experience - ChangingAging Tour

Lobby Experience 4:00-7:00pm

In the lobby Dr. Bill Thomas and his friends have created an interactive experience for you to engage with the ideas presented in the afternoon performance, get plugged in with local culture changers' and connect with others in your community. Dining options available on campus (within short walking distance) between performances.

Life's Most Dangerous Game - ChangingAging Tour

*Life's Most Dangerous Game 7:00-8:30pm | \$20**

Dr. Thomas' signature "non-fiction" theatrical performance features original music, storytelling, poetry and groundbreaking insights on aging and care. Featuring musical guests Nate Silas Richardson and Namarah McCall.
