Holiday Food and Gift Basket Program (HFGB)

This sponsored program is an excellent example of a productive public/private/community partnership where the whole is greater than the sum of its parts. YS sponsorship and Township Support serve as a force multiplier generating tens of thousands of dollars in financial donations and far more in donated gifts.

Youth Services provided \$10,000 funds and RF Township provided \$1,500, and vital office space and support for the program staffing.

The Holiday Food and Gift Basket (HFGB) recorded another successful year, serving over **2,000** people living in our community. Each household referred to the HFGB received a Jewel gift card prior to Thanksgiving and holiday presents delivered to their door in early December.

All referrals came through the Oak Park and River Forest Townships, the local public schools, local churches and social service organizations, including Parenthesis Family Center, Hephzibah Children's Association, and Thrive Counseling Center, among others.

Donor/Sponsor Support for HFGB Program

The program was funded, in part, by grants from Oak Park River Forest Township Youth Services, River Forest Township, The annual spring fund appeal and additional donations from congregations, businesses, and individuals, received through year-end. Awaiting final figure on total amount of financial donations. They totaled over \$46,000 the prior FY.

In addition to the financial donations, nearly **300** individuals signed up to fulfill the wish lists of program participants. The actual number of sponsors is greater when you include the hundreds of individuals who

TIME Program

The TIME Program, Managed by Susan Stearns is a Youth First Offenders Program that gives local adjudication judges the option of allowing local youths to perform community service to work off their infractions. The recidivism rate remains low; that is, VERY few repeat offenders! When they complete their community service, their record remains clean. If not, they are referred back to the judge. Susan, along with Jenifer Roth, has developed a positive relationship with the RF adjudication system and attending monthly.

A total of 34 youths (29 through OP and 5 through RF) were referred to the TIME program through local adjudication and 30 have completed their community service hours.
